

The Office of Research Administration will now accept and submit applications for sponsored projects where **Postdoctoral Researchers** serve in the role of Principal Investigator where the following criteria are met:

1. The program announcement/solicitation specifically states that postdoctoral researchers are eligible to be PI; and
2. The [Postdoctoral Fellow Intent to Serve as PI](#) form with all required signatures (Postdoc, Mentor and Department Chair/Division Chief) is submitted to ORA along with the proposal. The form can also be found on the ORA [Proposal & Applications: Forms and Templates](#) page.

Please contact your [ORA Grants or Contracts team member](#) with any questions.
